In Loving Memory of

Michael Shane Miller

(October 19, 1977 - February 16, 2006)

Death is more universal than life, everyone dies but not everyone lives.

A. Sachs

This memorial website was created to remember our dearest **Michael Shane Miller** who was born in **United States Tuscaloosa Alabama** on **October 19, 1977** and passed away on **February 16, 2006** at the age of **28**. You will live forever in our memories and hearts.

Michael's life on earth was cut short at the age of 28. He was a christain man. He devoted his life to the lord. Remembering Michael comes easy I do it everyday. But there is an ache inside me now that just want go away.

There isn't a day goes by that I don't think about him. 2-16-06 he was called home. But to me it seems like yesterday.

I will never forget the night my son was shot and killed. Justice wasn't served like it should have been.

Now Michael is in heaven with Gods arm around him. And no one will ever beable to hurt my son again. He didn't deserve to die the way he did. But I thank God for the 28 precious years I had him. He was a gift to me and his dad for a short time. And it was all in Gods plans.

Michael was a caring, loving understanding person that would help you in any way he could. He loved life to the fullest. Most of all he loved The Lord and his Family and friends

The background is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly closed. The one on the right is larger and more open, showing more of its petals. Both roses are a similar muted green or greyish-green color, blending with the background. The word "Gallery" is written in a white, elegant script font, centered horizontally and partially overlapping the roses.

TO DADDY WITH LOVE....

Daddy's Love

August 18, 2008

Daddy I felt your love in so many ways.

Your were there for me in my younger days.

Your strong hands had such a gentle touch.

In my 28 years you taught me so much.

You taught me right from wrong

with me understanding you

made me so strong.

Daddy you always knew what to say or do

no matter what I was going through.

Your love for me and Jeff was full of pride.

Your loving arms was always open wide.

Daddy your love always shelter me.

So now daddy it is time to set me free.

When I made the wrong choice

I would always hear it in the tone of your voice.

The words from your voice was so true.

When you would tell me and Jeff

Boys I Love You!

Daddy you will always be and important part of me.

But it is time for you to let me go and set me free.

I Love You daddy please set me free.

Came To Visit Your Grave

August 2, 2008

Dearest Michael,

I came to visit your grave today.

I fell down to my knees and I began to pray.

This is something I needed to do. So I came
to your grave site just to talk to you.

Michael, I am so empty and I am so sad, you
were one of the best things I ever had. God

called you home 2-16-06, I don't know why.

But all I do is sit and cry and wonder why.

Michael son I loved you with all my heart.

But with the love of God we will never be apart.

I will love and miss you for ever.

Love Your Mom

Where My Precious Son Lays

August 1, 2008

In A quiet country cemetary, called Concord.

Where I have to go just

to feel the gentle breeze blow.

Lies my precious son Michael I love so

He was called home to be with the Lord

just two short years ago.

Concord is his resting place, I go to visit

Placing my special flowers there with care.

But know one knows how my heartaches

When I have to walk away and leave my son

and all my flowers there

Though his big smile maybe gone forever

And his hands I can not touch

Still I have so many memories

Of my precious son I loved so much.

His memory is my keepsake

with which I will never part

God has him in his keeping

I have him in my loving heart.

Love Mom Michael was shot and killed 6:20p.m. 2-16-06
